## Student Activities

Lesson One
Allowances and Spending Plans allowance allocation

## directions

Your teacher will tell you how much "money" you have to spend. You may be using beans or other objects to represent money. Now, you need to make spending decisions in all of these categories. Place one bean in each square next to the option you choose in each category. Your goal is to spend something in each category, making sure you have enough money to cover all categories.

Put yourself on a budget for one month. First, determine what categories of expenses you have. You may include "fun," "food," and "gift," for example. Then decide what your spending limit is for each category. Each week track how much you actually spend.

| expense category | weekly budget | amount spent |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
|  |  | week 1 | week 2 | week 3 | week 4 |
