what decision-making strategies have you used?

directions

As a class, identify and role-play the various decision-making strategies you've used, then answer the questions below.

1. Have the strategies you've used worked? Please explain.

2. What factors do you think might have influenced your choice of strategies?

how do economic decisions affect decision-making?

Changing economic factors affect the decisions we make. Using *The Wall Street Journal*, internet, or other sources of economic news, obtain information about current economic trends that influence various saving, investing, spending, and borrowing decisions. For example, higher interest rates make borrowing more expensive; however, higher interest rates make saving more attractive.
